EDUCATION

- 1980 University of Washington
Master of Science in Public Health (**MSPH**)
Industrial Hygiene and Safety
- 1978 Montana Tech
Bachelor of Science (**BS**)
Occupational Safety and Health

PROFESSIONAL ORGANIZATIONS AND CERTIFICATIONS

- CSP** Certified Safety Professional, #8405, 1987, renewed to present
CIH Certified Industrial Hygienist, #3395, ID#1520 1986, renewed to present
- 2010 **Forklift Train the Trainer Certification**, Overton Safety. August 13, 2010
- 2010 **Powered Industrial Truck Operator Safety Training**, Sit Down Counterbalance Forklift Course, June 7-8, 2010, Mitsubishi, Caterpillar
- 2007 **Maritime Safety Train the Trainer Certificate** MS-00009, OSHA 5400 Instructor
- 2007 **Aerial Lift, Scissor Lift Train the Trainer**, Dec. 18, 2007, Overton Safety,
- 1995,99 **Instructor Certification** to teach **OSHA 500 Construction Safety** and
2003, 05,09 **Health Specialist** 30 hour course and the **OSHA General Industry 501** Course U.S. Dept. Of Labor, OSHA Training Institute, Till 2013
- 1995,99, 04, 08 **Instructor Certification**, University of Washington, OSHA Training Center to teach **Machine Guarding, Electrical Safety, Scaffold Safety and Confined Space Entry Classes** for U.S. Dept. Of Labor, OSHA Training Institute. Renewed to Present. Course Director.
- 2006 **Scaffold Train the Trainer Certification**, Scaffold Training Institute (STA). Certificate #18224. Primary Access Training Program.
- 2002 **Construction Site Safety Master Instructor**, National Center for Construction Education and Research. March 9, 2002 – Present
- 2000 **Fall Protection Competent Person Training Program**, Construction Safety Council, USDOL OSHA Training for Education Centers
- 2000-Present Board Member, Volunteer, Evergreen Safety Council. Construction Safety and Health and Safety Technician Program Advisor.

- 1998 **Scaffold Competent Person Training Program**, Scaffold Industry Association (SIA), Ivy Hi Lift. (STA). Certificate #00424. Primary Access Training Program.
- 1998 **Electrical Safety Training Program**, National Technology Transfer, Safety Division, 14 hours
- 1992 **EPA Emergency Response** to Hazardous Materials Incidents 40-hour Certification. Office of Emergency Response
- 1992 **Hazardous Materials Technician**, 24- Hr Emergency Spill Response
- 1992 **NIOSH 582**, Sampling & Evaluating Airborne Asbestos Dust
- 1992 **Trenching and Excavation Competent Person Safety** Training
- 1991 Certification, **Hazardous Waste Site Supervisory** Training
- 1990 Certification, WA State **Commercial Drivers License** for Placarded Hazardous Materials and Tank Vehicles, Renewed 1992-2006
- 1988 Certification, 40-hour Health and Safety at **Hazardous Waste Sites**, Renewed yearly to present
- 1985 Certification, State of Washington, **Asbestos Abatement Worker** (#0760), Renewed in 1986, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98,
- 1984 Certification, WA State **Flagging Instructor Certification, L & I, WISHA**
- 1984 Certification, WA State **Forklift Safety Instructor Certification, L & I**
- 1980 Professional Member, American Society of Safety Engineers (**ASSE**), Renewed to Present (CSP). Member # 2742350
- 1979 Member, American Conference of Governmental Industrial Hygienists (**ACGIH**), #1091, Renewed to Present
- 1978 Member, American Industrial Hygiene Association, **AIHA**, Pacific NW Section, Renewed to Present (CIH) #130504
- 1978 **Industrial First Aid and CPR** Training, Renewed in 1980, 83, 86, 89, 91, 92, 94, 96, 99, 01, 03. 05, 08

HONORS

- 2009 **Safety and Health Leadership Award**, Puget Sound Construction Safety Summit.. September, 2009.
- 2005 **Distinguished Industrial Hygiene Award**, Pacific Northwest Section, American Industrial Hygiene Association. October, 2005.
- 2000 **Construction Safety Trainer of the Year Award**, Puget Sound Construction Safety Summit Association,.. November, 2000.

- 1999 **Industrial Hygiene and Safety Lecturer Award**, University of Washington, Department of Environmental Health, Student Nomination Award. June, 1999.
- 1994 **Safety Professional of the Year**, May, 1994, Puget Sound Chapter, American Society of Safety Engineers
- 1991 Labor and Industries, **Set the Pace Award** for Safety and Health, Seattle, WA.
- 1987 Labor and Industries **WISHA Award**, "We Inspire Safety and Health Achievement Award", Seattle, WA.
- 1981 US Department of Labor **Meritorious Achievement Award**
"In recognition of your significant contribution to the public health and welfare during the emergency precipitated by the violent eruption of Mount St. Helens on May 18, 1980."

PROFESSIONAL EXPERIENCE

- Sept. 97-Present **Lecturer, University of Washington (90% Appointment)**
School of Public Health, Department of Environmental and Occupational Health Sciences, 4225 Roosevelt Way NE, Seattle, WA. 98105
Teaching in the Undergraduate and Master's Program in ENVH 559, Applied IH and Safety, ENVH 460/560 Safety Management, 462/562 Technical Aspects of Safety-Construction.
Instructing UW OSHA Training Center courses
OSHA 226, 500, 501, 510, 511, 521 4 day classes
Course Director for the OSHA Construction Safety and Industrial Hygiene courses in WA, AK, OR, and ID.
Half of the time is teaching academically in the graduate and undergraduate program of the UW Department of Environmental and Occupational Health Sciences and half of the time is teaching in the UW Region X OSHA Training Center.
- June, 91-Sept. 97 **Senior Industrial Hygiene and Safety Consultant**
Prezant Associates, Inc.
1730 Minor Ave, Suite 900
Seattle, WA 98101

Providing on-site construction safety services. Providing training for OSHA and WISHA regulations to contractors and industry. Provides industrial hygiene and safety field services, fall protection, fire protection and environmental consulting, air monitoring and program development. Wrote Health & Safety Plans for asbestos abatement projects. Taught custom courses on safety and health, fall protection, scaffolding, emergency spill response, hazardous waste site safety, asbestos removal procedures, confined spaces, and respiratory protection to clients throughout the U.S. Performed site safety and health audits on over 300 worksites.
- 1986- 1991 **Safety Engineering Consulting Supervisor**
Department of Labor and Industries,
Division of Industrial Safety and Health

300 West Harrison, Seattle, WA 98119

Supervised a consulting group of industrial hygienists and safety representatives. Provided safety and hygiene on-site consulting to employers as well as training in the more difficult requests. Provided assistance in fall protection, ladders safety, scaffolds, noise, ventilation, chemicals, respirators, confined spaces, machine guarding, electrical safety, trenching and excavation, hazardous materials, emergency spill response, etc. Complete safety and hygiene surveys were completed in over 850 worksites.

1981-1986

Compliance Safety and Health Officer

Department of Labor and Industries, Safety and Health
300 West Harrison, Seattle, WA 98119

Performed Industrial Hygiene surveys for Labor and Industries under the WISHA Act for over 600 worksites. Activities included hazardous waste sites, asbestos removal jobs, construction safety, respiratory protection, confined spaces and right-to-know programs. Complete surveys were made to determine compliance with State Safety rules.

1978- 1981

Compliance Safety and Health Officer

US Department of Labor
Occupational Safety and Health Administration (OSHA) Seattle, WA

Performed industrial hygiene and safety inspections of Federal Agencies. Provided technical hygiene support to inspectors in Region X of OSHA (WA, OR, ID, AK) Site Safety Audits, air sampling, on-site technical assistance, etc. 6/78-9/78: Safety Compliance officer in Billings, Montana OSHA Area Office. Performed over 300 surveys

TEACHING ACTIVITIES

Courses Mr. Gleason is certified/approved/qualified to teach and has instructed:

Mr. Gleason is the Class Coordinator/Instructor/ Curriculum Development for:

OSHA 2264: Permit Required Confined Space
OSHA 500: OSHA Authorized Outreach Program Trainer in Construction Safety
OSHA 501: OSHA Authorized Outreach Program Trainer in General Industry Safety
OSHA 510: OSHA Introduction to Construction Safety
OSHA 3110: OSHA Fall Protection Safety Training Course
OSHA 521: OSHA Guide to Industrial Hygiene
OSHA 2045: OSHA Machine Guarding Safety Course
OSHA 5400: Maritime Safety Training Course
OSHA 3095: Electrical Standards
OSHA 2015: Hazardous Materials

Additional Classes Mr. Gleason is certified or qualified to instruct:

First Aid and CPR Instructor, National Safety Council, American Heart Association
Environmental Field Service Technician, North Seattle Community College Instructor
OSHA Construction Safety and Health Specialist (30 and 10 hour class Instructor Certification)
OSHA/WISHA Health and Safety at Hazardous Waste Sites (40 and 80 hours)
OSHA/WISHA Hazardous Waste Site Refresher and Supervisor Class (8 hours)
WISHA Certified Asbestos Worker and Supervisor Class (30 hours) + Refresher (7 hours)
OSHA/WISHA 24 hour Emergency Response Training:
Marine Spill Response Classes (24 hours)

Chemical Hazard Communication, Worker Right to Know, MSDS Awareness (2-8 hours)
Basic Industrial Hygiene Class - (8-40 hours)
General Industry Supervisor Safety and Health (32 hours)
DOT HM-181 and 126F Hazardous Material Training (8 hours)
Lead Awareness and Inspector Training (16 hours)
Accident Prevention Programs (8 hours)
Occupational Respiratory Protection (8 hours)
Confined Space Entry Requirements (8-16 hours) Entrant, Attendant, Supervisor Instructor
Fall Protection Safety (8 hours)
Ladder and Scaffold Safety (8 hours)
Machine Guarding (8 hours)
Lockout / Tagout, Electrical Safety (8 hours)
Forklift / Powered Industrial Truck Safety Trainer
(Forklift WA. State Certified Train the Trainer Instructor for L & I WISHA 1986-1991).
Flagging trainer for L & I, Certified Instructor 1986-1991.
Trenching and Excavation (4-8 hours)
Ergonomics and Back Injury Prevention (4-8 hours)
Indoor Air Quality, Sick Building Syndrome Assessment (2-8 hours)
Aerial Lift, Scissor Lift Safety Training
Maritime Safety, Shipbuilding, Maritime Terminals, Longshoring, Shipyard Competent Person

PUBLICATIONS, PAPERS, AND SURVEYS

"Safety and Health Of Commercial Fishermen in the North Pacific" (122 pages)
Master's Thesis, University of Washington, MSPH, 1980.

"How Fishermen Die, A Report on the Hazards of Fishing", *Alaska Fishermen's Journal*,
Four Part Series, April, May, June, & July, 1981. Vol. 4, No.'s 4-7.

"How Hazardous is Harvesting the Sea?" *Proceedings of the Marine Safety Council*,
June, 1982. Vol. 39, No. 6. and *Professional Safety*, November, 1983, Vol. 28, No. 11.

"Accidents Will Happen!" *Alaska Seas and Coasts*, November, 1982. Vol. 10, No. 1.

PRESENTATIONS

June 8, 2010. Asbestos Building Inspections and Contractor Responsibilities. GLY Construction.
Bellevue, WA.

March 3, 2010. Safety Pays: Preventing Agricultural Injuries in Washington State, Keynote
Speaker. Agriculture Safety Day, Labor and Industries. Yakima

February 25, 2009. Root Cause Analysis. Accident and Incident Investigation 1 day Course.
University of Wash. DEOHS Continuing Education Course, Guest Speaker and Course Director.

November 19, 2008. Preventing Injury and Illnesses to Utility Contractor Workers. Utility
Contractors Association of Washington (UCAW). Seattle, WA.

September 23, 2008. Comparing Trucker Worker Compensation Injuries to Other Washington
Workers. Wa. State Governor's Safety Conference, Spokane, WA.

August 18-22, 2008. Young Worker Safety Training Course for High School Teachers. OSHA
501 Train the Trainer Class. Seattle, WA.

August 13, 2008. Heat Related Illness Prevention in the Outdoor Environment.. Puget Sound
Safety Summit. Seattle, WA.

July 8, 2008. Associated General Contractors, (AGC) Seattle-Edifice Construction. Mold, Lead and Asbestos Hazards in Construction.

June 17th, 2008. Safety and Health Hazards of Seafood Processors, Redmond, WA. Safety Seminar, Gorton's Seafood, King and Prince Seafood.

June 6, 2008. Occupational Health Hazards Aboard Vessels. North Pacific Fishing Vessel Owners Association Presentation. Seattle, WA.

May 18, 2008. Hawaii Governor's Safety Conference Speaker. Managing Effective in Practice Construction Safety Programs and Avoiding Third Party Liability.

May 8, 2008. Puget Sound Energy Safety Conference. "Successful Safety Auditing tools, Snoqualmie, WA.

May 5, 2008. Teaching UW Chemical Engineering 486 Process Design for Prof. Brad Holt during Safety Awareness Week at the School. The title was Process Safety of Highly Hazardous Chemicals.

May 14, 2008 Construction Safety Day, Puyallup. Construction Safety for General Contractors: Preventing Accidents Through Site Safety Programs.

April 25, 2008. International Association of Machinest's / Boeing Joint Health and Safety Institute. Inter-Regional Safety Monitor Meeting. Occupational Hazards in the Workplace.

April 15, 2008. L & I DOSH Symposium, Tri Cities, Worker Safety and Health Trends: Washington v National Statistics.

April 10, 2008. Safety and Health Hazards of Surveyors.. Land Surveyors Association of Washington, Everett, WA.

March 20, 2008. Developing Tomorrow's Safety and Health Professionals. Alaska Governor's Safety and Health Conference, Anchorage, AK.

March 12, 2008. Safety Training Techniques for Adult Learners. Teamsters National training trust, Ontario, CA.

Feb. 26, 2008. Construction Safety Trends in Washington. Seattle Vicinity Construction Safety Council.

June 14, 2007. Keynote Speaker, ResCon: Master Builders of King and Snohomish Counties, "Safety and Health of Residential Construction Builders in Washington".

March 25, 2007. Utility Contractors of Washington (UCAW). Presentation to Annual Meeting: Injuries to Utility Workers in Washington, 1985-2005. Seattle, WA.

October 4, 2006. Road and Street Maintenance Safety and Health Hazards. Injury and Illness Prevention. Road and Street Maintenance Hazards Supervisor Conference, Spokane, WA.

October 26, 2006. Speaker, Northwest Occupational Health Conference, PNS-AIHA Annual Meeting, The Overwarning of America: Safety Warning Labels. Wenatchee, WA.

September 27, 2006. School to Work Guest Speaker, Teen Safety in Washington State. Governor's Safety and Health Conference Presentation, Spokane, WA.

September 27, 2006. Accident and Injury Costs for Small Businesses. Governor's Safety and Health Conference Presentation, Spokane, WA.

June 13, 2006. Preventing Third Party Liability in Occupational Safety and Health: A Continuing Effective Safety and Health Program. American Society of Safety Engineers Meeting, Seattle, WA.

June 12, 2006. Internet Safety and Health Resources. Effective Training Techniques. Western Regional Universities Consortium (WRUC). Trainer's Exchange, 2006. Seattle WA Meeting.

May 25, 2006. What Would a VPP Level Industrial Hygiene Program Look Like?. Region X Voluntary Protection Program Annual Conference Meeting, Spokane, WA.

May 10, 2006. The Impact of the Stute Decision on Workers Compensation Recovery, Third Party Liability and Occupational Safety and Health in Washington. Presented at the Labor and Industries Internal Staff Safety Symposium, Ocean Shores, WA.

May 10, 2006. Construction Safety and Health Responsibilities of General Contractors in WA State. WISHA Annual Meeting, Ocean Shores, Department of Labor and Industries Presentation.

January 17, 2006. Keynote Speaker, Avista Utilities Annual Safety Conference, Spokane, WA. Effective Safety and Health Committees in the Electrical Power Generation Industry.

January 2, 2006. Keynote Speaker, Tri State Construction Annual Employee Training Day. Construction Safety Accidents in Washington: 2005. Lessons Learned

December 12, 2005. Taking Safety Home. Puget Sound Safety Summit. Seattle, WA.

September 29, 2005. Mold in Schools and Commercial Buildings. Washington Governor's Safety Conference, Tacoma, WA. Panel Presenter and Moderator.

September 28, 2005. Teen Safety on the Job: Rights and Responsibilities. Washington Governor's Safety and Health Conference, Tacoma, WA. Presentation.

August 11, 2005. Keynote Speaker to 100 members of the Washington State University (WSU) Safety Committee's Annual Meeting. "Reaching for Excellence in Safety and Health".

May 24, 2005. Presented at the National American Industrial Hygiene Annual Meeting in Anaheim, CA. The topic was Safety and Health Third Party Liability on Construction Sites: Preventing Accidents and Minimizing costs.

EXPERT WITNESS ASSISTANCE Trial Testimony, Rick Gleason 2006-2010

Shampoe v Lease Crutcher Lewis. Pierce County Superior Court. Case No. 08-2-04019-0. May, 2010.

Barshay v Judd. Case Number 08-2-13647-2. Pierce County Superior Court. May, 2010.

Enos Ferguson v. Safway Scaffolding/Thyssen Krupp et al Case No. 07-2-08300-4. Snohomish County Superior Court. WA. January, 2010.

Mariano Interiano v. Wrought Construction, Inc.. Case 07-2-26071-4SEA. King County Superior Court. WA. May, 2009.

Estate of Roger Harrison v. Road Construction Northwest. Case 06-2-31492-1KNT. King County Superior Court, WA., Kent Regional Justice Center. July, 2008.

Donald Harrington v Farwest Fibers Inc Case No. C070392CZ. Circuit Court for the State of Oregon in Washington County. November, 2007

Thomas Reed v 3M Company et al. Superior Court, Pierce County, WA. No. 06-2-11270-4 May, 2007

Alex Salas v. Hi-Tech Erectors. Superior Court, King County, WA. No. 04-2-36411 SEA. April, 2006.

Carlos Lopez v Centex Homes. Superior Court, King County, WA. No. 04-2-10439-4SEA. April, 2006.

EXPERT WITNESS ASSISTANCE Depositions, Rick Gleason 2006-2010

2010

Peha v Buno Construction et al.
King County Superior Court No. 09-2-28236-6 SEA. September, 2010

Conley v Alaska Communication Service.
Superior Court for the State of Alaska, Third Judicial District at Anchorage
Cause No. 3AN-09-4739 Civil Alaska Superior Court August, 2010

Uplinger Kessler v Wild Waves, Enchanted Parks etc.
King County Superior Court Case No. 08-2-05910-3KNT, July, 2010.

Angulo v Premier Communities. Pierce County Superior Court No. 09-2-0448-7.
March, 2010

Frostad v. R-Custom Excavation. Pierce County Superior Court Case No. 8-2-10019-2.
February, 2010
