Addendum to CV of Thomas A. Tarter

Qualifications: My background involves experience with large and small banks. Lloyds Bank California, Sanwa Bank of California and First Los Angeles Bank were subsidiaries of very large banks. At Sanwa Bank and First Los Angeles Bank, I was involved in evaluating potential acquisitions that involved "healthy" and "distressed" banks. At First Los Angeles Bank, I was also involved in the purchase of loans from the F.D.I.C. and the sale of non-performing loans.

I was also involved in the formation of a savings bank and a commercial bank that were located in Los Angeles, California. While I did not serve on the board of directors of the savings bank, I provided advice involving staffing, capital and regulatory issues to directors and senior management. I was involved in the formation of a commercial bank - Bank of Los Angeles. At the Bank of Los Angeles, I was involved in the acquisition of another bank that was closed by state and federal regulators, purchased loans from the FDIC and the RTC. Issues involved in the acquisition included: deposit retention, deposit withdrawal requests, possible run on deposits, liquidity, borrower loan defaults and lender liability claims, performing and non-performing loans. It was a complicated process that worked out positively because well-defined business and strategic plans were quickly developed and implemented.

I was also approved by regulatory agencies to serve as the chief executive officer of a financially troubled bank, Center National Bank. This assignment resulted in the identification of significant additional problems within the bank that prior to my employment had not been discovered by either the bank's independent auditors or by the regulators. My duties included: Securities and Exchange Commission disclosures, valuation of the loan portfolio, amendment of financial reports, the sale of loans, shrinkage of deposits, capital infusion and implementation of new policies, procedures and controls.

Subsequent to First Alliance Mortgage Corporation ("FAMCO") filing for bankruptcy protection, I was approved and appointed with the concurrence of the board of directors, creditors and court to the board of directors of FAMCO which was a public, SEC reporting financial services company. I served during bankruptcy proceedings as its Audit Committee, Chair. I was also appointed to serve during reorganization on the board of directors of a regional retail company.

I have served as a director of the Western States Bankcard Association and as an advisor to various financial institutions and companies involving credit card, lender liability, TILA, and UDAP issues.

I have also been appointed to the panel of mediators by the United States Bankruptcy Court for the Central District of California.
