Re: Letter of Recommendation

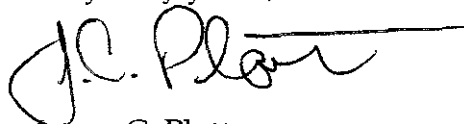

Dear Carl,

I want to thank you for your time and testimony in the Leal-Gomez case. I was confident in taking you to the jury based on your confidence, composure, and credibility. Your testimony bore me out, and we have a satisfied client.

For your future reference, the Adams County District Court, Colorado, recognized you as an expert in firearms in a felony case. Obviously, your knowledge and expertise in firearms was paramount, but your ability to communicate with the jury congenially and knowledgably rendered you both memorable and credible. Your testimony was well-presented, consistent, and of the highest ethical standard. I believe that the demonstrative exhibits which you prepared were helpful to the jury and my client. Finally, your handling of the rather aggressive cross examinations by the deputy district attorneys at the rule 702 hearing and at trial was admirable as you maintained composure and confidence on the stand - it was a pleasure to see you give the other side some grief.

It was a pleasure working with you, and I will certainly call on you should I need an expert in the field of firearms in the future. If you have any questions, please feel free to call me at 720-985-1145.

Very truly yours,

  
James C. Plott
