Elizabeth, Colorado 20107

Dear Carl:

I want to thank you again for helping me with my "climbing-accident" case.

I was impressed by your swift response and sound analysis of the many ways that the defendant had failed to protect the climber.

The case settled favorably thanks, in part, to your efforts.

If I have another similar case in the future, I'll be sure to call you.

Very truly yours,

JAMES T. LEAVITT, JR.
