

# ELITE MEDICAL EXPERTS

*The nation's leading university experts, all in one place.*

## **Elite Medical Experts**

Elite Medical Experts is a physician-run consulting firm that identifies, screens, and hand selects leading university experts in every medical and surgical subspecialty. Each expert is a Professor of Medicine or Surgery at a top-tier medical center with a full-time clinical practice, Board-Certification, and spotless credentials. Rather than using a database, each expert is selected based upon the unique requirements of the client and case. Elite also maintains in-house physicians and nurses to answer every call and provide strategic and tactical consultation. With over 5500 engagements in all 50 states, Elite solves challenges so that our clients win.

## **Our Focus is at the Intersection of Medicine & Law**

Medical Negligence, Product Liability, Personal Injury, Mass Torts, Device and Pharmaceutical Litigation, Intellectual Property, Electronic Health Records, Birth Injury, Wrongful Death, Traumatic Brain Injury, Billing & Compliance, Medical Necessity, Qui Tam, Credentialing, Telemedicine

## **Actionable Benefits to Our Clients**

- Zero-risk guarantee – Approve the expert or we'll refund your fee.
- Every process is geared toward complete transparency and discovery.
- Work directly with hand-selected experts screened for your specific case.
- Complimentary, unlimited communication with our in-house physician and nurse strategy team.
- Immediate access to nationally recognized thought leaders from any healthcare field.
